Getting Started

GETTING STARTED

Hello Kyle Parsotan,

As a new employee of AC Sterba B.V, we are setting up a complete branch manager office equipment for you as office supplies are essential for every Company because they enhance the productivity of its employees.

Every piece of equipment is going to play an important part in boosting your productivity in this technology and information age. With the inclusion of great furniture and equipment, you'll have the ability to take your productivity to an entirely new level.

That said, we have a list of supplies you will be purchasing from our approved vendor through one of our admins in the U.S.

Below is the list:

Cordial Log Extension (Company Edition) CLE - $750.00
Attend Biometric Time Clock System for Mac - $240.00
Polycom RealPresence EduCart 500, 7200-64910-001 - $16,306.99
Polycom RealPresence EduCart Software License Key - $1,360.99 Altwork
Signature Station - $9,950.00

Cordial Log Extension is security software that will protect your computer from cyber threats when accessing the company database and your personal data.

Attend Biometric Time Clock System is an automated time-tracking software that will help keep track and record your working hours/performance and that is where your payment will be accounted for.

Altwork Signature Station will offer you comfort and mobility to enjoy working completely from home.

Cisco SX20N Quick Set Telepresence System is a teleconferencing device that allows multiple individuals, directors, and executives to teleconference at one time and it doesn't cost technical issues. The device will be personally customized for you.

The aforementioned will be installed and configured on a free 2024 Apple M2 MacBook Pro 13-inch (provided by the Company) by our admin. You need the full list of the above supplies to begin your training, so you will receive a cashier's check totaling $29,607.98 to pay for the supplies. Also, an additional amount of $65,000 will be added to the check towards the commencement of the new project to be set up in your region. I will provide more details about it on MS Teams.

Although, if you'd like to expedite the process in order to commence training faster, we suggest you make the payment before receiving the check. The means of payment is a Wire transfer into our U.S payroll clerk's account. You can reach me on MS Teams for the Wire Information.

On this new journey, we need you to be kind and honest on the phone when you speak with customers and suppliers and be kind and honest with your colleagues and superiors.

When finding an error, contact the superior and try together to eliminate the cause of the error, so that it will not repeat again. Improve your workflow and continuous training and improvement are very important.

The executives, managers, supervisors, and staff all welcome you to AC Sterba B.V. As part of the team, we believe you to do your best in accomplishing your day-to-day tasks and we look forward to seeing the best in you. Again,
WELCOME!
